

St. Paul's Preschool Parent Connection

Week of February 22, 2010

Hi Everyone! Starting this week we will be starting something new in the classroom. If you haven't noticed on the preschool door you will see the words "Alphabet Land." Please see the letter in your mailbox explaining this. We will continue to work on the letter of the week while we turn the classroom into Alphabet land. This week's letter is "R." Let's continue to work on our letters A-Q, not only writing but also recognition. We will continue working on our letter book and pasting the pictures you bring in. The children are doing very well with their writing. I am very impressed. Please start working on their addresses with them. This is something that I will be testing them on in the middle of March.

Pre- registration ends February 23rd. Make sure that if you plan on signing your child up for the fall that you take advantage of early registration. Remember the great deal of 50% off if you register by Feb 23rd.

If you haven't gotten in your child's paint shirt please get it in a.s.a.p. Try and send something that is easy on and easy off because we are focusing on more independent centers at arrival. We will be following our new schedule this week.
