

St. Paul's Preschool Parent Connection

Week of January 18th

Hi Everyone! This week will be working on the letter M. Let's continue to work on our letters A-L, not only writing but also recognition. We will continue working on our letter book and pasting the pictures you bring in. We are really going to concentrate on writing and recognition of our names the next couple of months. Start working on that at home also. I found it easier to take a highlighter and write their name and have them trace over it.

Here's a look at our week ahead:

Other Notes:

Please continue working on the letters we have already done. If you need worksheets or ideas on how to do this please ask me. Also continue to work on the cutting at home. The more this is practiced the easier it will become for your child. As usual, if you have any questions or concerns please feel free to email me at daisygirl3us@yahoo.com

*Just a quick side note: the schedule is subject to change depending on the children. For example, if I notice that we are having some trouble with writing of a particular letter we might spend a little more time on that letter therefore eliminating something from the schedule. I will try and follow the schedule the best I can and I will keep you updated to any changes.

*The letters corresponding to the snack are getting a little more difficult so at times I might have to just do snacks that incorporate any of the letters that we have talked about already.

In His name and joy,

Mrs. Heidi Maceyko
