

St. Paul's Preschool Parent Connection

Week of March 1, 2010

Hi Everyone! Well Alphabet Land is well underway. We have begun integrating the alphabet in everything we do. We will continue to work on the letter of the week while we turn the classroom into Alphabet land. This week's letter is "S." Let's continue to work on our letters A-R, not only writing but also recognition. We will continue working on our letter book and pasting the pictures you bring in. The children are doing very well with their writing. I am very impressed. Please continue working on their addresses with them. This is something that I will be testing them on in the middle of March.

Please remember to mark your calendar for next Wednesday, March 10th for Special Person's Day. Also remember to get their robes ready for their special presentation. The kids are really enjoying dancing around to Splish Splash as we practice.

Jesus Time over the next few weeks (until Easter) we will begin to talk about the events leading up to Jesus dying on the cross. I assure you that it will be appropriate as far as the age level and something that they will understand.

The week of March 8th is Lutheran School week and the school will be celebrating with a week of special days. More information is to come later in the week.

9:00-9:40 Arrival and free choice centers

9:40-9:50 Clean up

9:50-10:00 Potty/wash hands
