St. Paul Auction a Big Success

At the end of April, our St. Paul family celebrated together by inviting family and friends to join us in supporting our school at the Serving Our Savior Auction.

With over one hundred and seventy items donated,

everything was taken home by happy bidders.

There were small items like fresh baked goods from Utica Heights Bakery and big items like tickets to a Tiger's game, enjoyed in a suite.

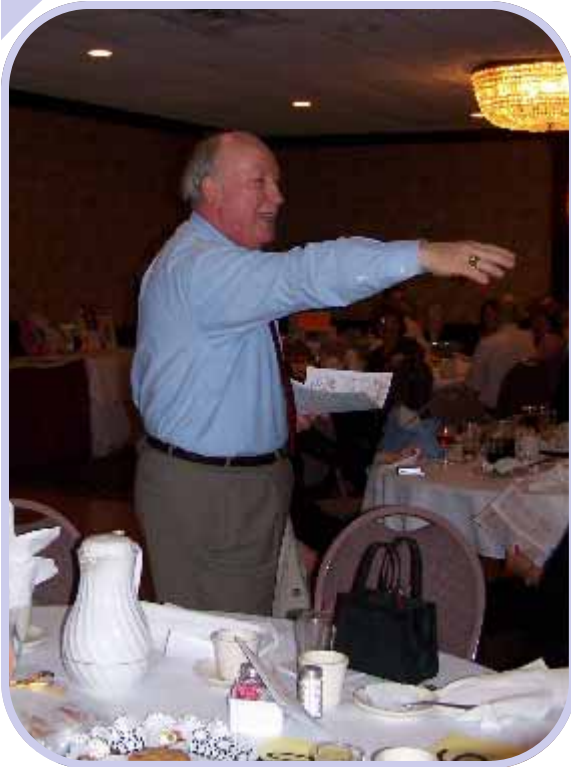

We pray that next year, everyone will be able to join in the fun next spring. In case you missed the auction, here is a recap of what you missed.

Preschool Chair Winner!

It was a close battle, but in the end the winner of the Adirondack chair, thumbprint art by the four year old preschool class, was Brian & Cindy Miller for \$175!

Pictured here is Seth Miller's Uncle Brian.

Gene Parsiola-Auctioneer

Gene's Million Dollar Goal

Here we see our auctioneer, Gene having fun with the crowd. He says that his goal is to one day have a million dollar auction! Wouldn't that be something?

But don't worry friends, he took it easy on us and didn't expect our group to get him there. In the end though, we were able to raise over \$9,000!

Gene still had fun and had a lot of great energy. If you have never been to an auction before, come next year and see how much fun it can be.

We had ten items that were our "live" bid items. The opening item, a portable DVD player, got people moving and excited.

The winners were our own Dennis and Belinda Suszynski. Something Christopher, I'm sure, will enjoy while taking long trips in the car.

Jim & Penny Pink at Work!

Here is our own lunch lady, Mrs. Pink, bidding on a bike. We had a lady's and a man's bike donated by Tony Sadowski from Thrivent Financial for Lutherans.

This was a popular item. Lots of people were interested, but in the end there could only be one winner for each. Jim and Penny were one of those winners. Way to go!

Live Music

Here we have our music group giving us a closing song, trying to get everyone up and moving before our “live” auction begins. Can’t let that dinner make you tired!

Music was provided by Jill White’s group with a few extra friends joining in. Look carefully at the far right, you can also see our own Mike Lupo sitting in!

This group of people gave of their time freely, for the love and support of our school, with the only incentive being a free meal.
